Update

- We are an Academy work group and SOA group collaborating on this project
- Volunteer recruiting is complete
- Work group structures and planning is set
- Work is off to a good start
- We are on target for timing

Plans for 2019–2020

- Data analysis
 - This is a double decrement table (mortality/recovery)
 - Using new techniques to determine appropriate additional dimensions
- Company experience
 - Enhancing approach to Credibility and use of company experience

Plans for 2021

- Address margins and financial impact
- Develop documentation
- Develop proposed update to AG XLIV
