

Academy Welcomes Almost 500 New Members

THE ACADEMY WELCOMED 498 NEW MEMBERS in the second half of 2023. Health was the most popular practice area with 263 (53%), followed by life with 111 (22%); property/casualty, 76 (15%); and pension, 26 (5 %). Nine listed risk management and 12 listed other, while one did not specify.

There were 308 (62%) employed by an insurance organization, and another 157 (32%) are consulting actuaries. The remaining listed government service (9), nonprofit (8), broker (5), university (1), and miscellaneous (10). The average age was 31, and there were 327 men (66%), 168 women (34%), and three identified as other.

We welcome these new members who have taken the next step in their careers to demonstrate their commitment to professionalism and to serving the public through the Academy.
